

WHISTLE BLOWER POLICY

WESTCHESTER-PUTNAM SCHOOL BOARDS ASSOCIATION (WPSBA) is committed to operating in furtherance of its tax-exempt purposes and in compliance with all applicable laws, rules and regulations, including those concerning accounting and auditing, and prohibits fraudulent practices by any of its board members, officers, employees, or volunteers. This policy outlines a procedure for employees to report actions that an employee reasonably believes violate a law, or regulation or that constitutes fraudulent accounting or other practices. This policy applies to any matter which is related to WPSBA business and does not relate to private acts of an individual not connected to the business of WPSBA.

If an employee has a reasonable belief that an employee or WPSBA has engaged in any action that violates any applicable law, or regulation, including those concerning accounting and auditing, or constitutes a fraudulent practice, the employee is expected to immediately report such information to the Executive Director. If the employee does not feel comfortable reporting the information to the Executive Director, he or she is expected to report the information to the President or any other officer of the Board of Directors.

All reports will be followed up promptly, and an investigation conducted. In conducting its investigations, WPSBA will strive to keep the identity of the complaining individual as confidential as possible, while conducting an adequate review and investigation.

WPSBA will not retaliate against an employee in the terms and conditions of employment because that employee: (a) reports to a supervisor, to the Executive Director, the President or another officer of the Board of Directors, the Board of Directors or to a federal, state or local agency that the employee believes in good faith to be a violation of the law; or (b) participates in good faith in any resulting investigation or proceeding, or (c) exercises his or her rights under any state or federal law(s) or regulation(s) to pursue a claim or take legal action to protect the employee's rights.

WPSBA may take disciplinary action (up to and including termination) against an employee who, in the Board of Directors' assessment, has engaged in retaliatory conduct in violation of this policy.

In addition, WPSBA will not, with the intent to retaliate, take any action harmful to any employee, who has provided to law enforcement personnel or to a court, good faith information relating to the commission or possible commission by WPSBA or any of its employees of a violation of any applicable law or regulation.

All personnel will be trained on or advised of this policy and the WPSBA prohibition against retaliation in accordance with this policy.
